

## Sportsman's World Recreational Association

### Email Event Policy

Sportsman's World Recreational Association is just that, a board that oversees any recreational activity inside Sportsman's World. We are responsible for notifying our property owners of upcoming events that take place on our property such as monthly Happy Hours, Red Bull Cliff Diving, and the famous Fire Work Show! Previously, there hasn't been a policy regarding property owner scheduled events, however we are seeing several requests for our admin to publish such events using our email system.

We will be glad to notify Sportsman's World Property Owners of any event via email following these guidelines:

- The event must be held inside Sportsman's World
- The invitation must be open to all residents and their guests
- A written request with detailed information must be sent to [swra@embarqmail.com](mailto:swra@embarqmail.com) no later than the 5<sup>th</sup> of each month

\*\*\*\*Notifications will be sent to the most current email list available to Sportsman's World\*\*\*\*

*Please note: SWRA is not sponsoring any event- We are simply communicating information to our members to enhance the Sportsman's World experience*
